

Instruction Manual HS-HUB180-BK Universal Docking USB Hub

Thank you for your purchase of this Hip Street universal docking USB hub and we hope you enjoy using it. Please visit our website at www.hipstreetonline.com.

Please ensure that you fully read and understand the information with this instruction manual prior to using your product. It is advised that you keep this instruction manual in a safe place for future reference. We sincerely hope that this high quality product offers you endless hours of entertainment.

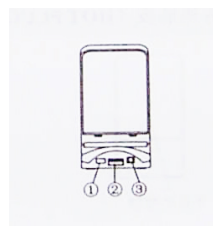

Important safety precautions

- Do not disassemble, repair or modify the player by yourself. Refer servicing to qualified personnel.
- Keep the player away from direct sunlight or heat source.
- Do not expose the unit to rain or moisture to avoid any malfunction.

Features

- 4 HIGH SPEED USB 2.0 ports
- Connect your printer, digital camera, keyboard, mouse or any other USB device
- Mobile Device Charger
- Sticky pad to securely dock your device
- Sync & charge capability
- PC & MAC compatible
- Plug & Play Installation

Instructions

- Plug the included USB cable into a free USB slot in your computer and the other end to the Universal Dock.
- To charge, connect your mobile device to the Universal Dock with your device's USB charge cable
- Rest your mobile device on the sticky pad for secure charging

Note

- Sticky pad should be cleaned with a wet lint free cloth
- Disconnect mobile device from the Universal Dock once fully charged
- Universal Dock may not charge all makes and models of mobile devices, read your mobile device's manual for precautions.
- Charging speed may be reduced or halted with multiple devices connected. Connect one device at a time for best performance. A 5V DC 800mA charger (sold separately) may be required to support multiple device charging.
